

LA PLATA, MD –□ Congressman Steny H. Hoyer (MD-5) today attended events highlighting the Summer Food Service Program (SFSP).

“Access to nutritious meals is critical to a child’s ability to learn and live a healthy life,” said Rep. Hoyer.

The Summer Food Service Program (SFSP) is a USDA program that provides meals to children during the summer months.

While Maryland had the 2nd highest increase in summer nutrition program participation from 2008 to 2010.

This week, the House Education and Labor Committee plans to mark up the Improving Nutrition for America’s Children Act.
