

In February, [Congress passed and the President signed the Economic Stimulus Act of 2008](#). Under the legislation, approximately 2.5 million Marylanders will receive tax rebates of up to \$600 per person (\$1,200 per couple), plus \$300 per child, as early as mid-May, 2008. By putting money into the hands of America's families and small businesses, the plan is expected to stimulate the economy and create 500,000 jobs.

The IRS has created a [Economic Stimulus Payments Information Center](#) for taxpayers with [Frequently Asked Questions](#) to help you determine how the stimulus impacts you.
