Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Zero Emission Bus Charging Infrastructure project in fiscal year 2025. The entity to receive funding for this project is Prince George's County, MD located at 1301 McCormick Dr., Largo, MD 20774. Prince George's County has been working on expanding its fleet of zero-emission transit vehicles. This funding will be used to assist in building out its charging infrastructure.

This project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely yours,
