The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bryans Road Interceptor in fiscal year 2024. The entity to receive funding for this project is the Charles County Government, located at 200 Baltimore St., La Plata, MD 20646.

The funding would be used for sewer rehabilitation to avoid sewer overflows, and eliminating unnecessary investment infrastructure expansion by preserving capacity in the existing sewer system. The project is an appropriate use of taxpayer funds because it will contribute to the health, safety, and welfare of the community by avoiding sewer overflows and discharges of raw wastewater into adjacent water bodies.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et. seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely yours,

STENY H. HOYER
MEMBER OF CONGRESS
