Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for YMCA Camp Letts Preservation, Renovation, and Energy Efficiency Project in Fiscal Year 2026. The entity to receive funding for this project is YMCA of Metropolitan Washington, located at 4003 Camp Letts Rd, Edgewater, MD 21037. The funding would be used for updating aging facilities including the installation of high efficiency HVAC systems, electrical grid upgrades, and permanent plumbing solutions. The project is an appropriate use of taxpayer funds because it provides our young people with outdoor experiences, which makes for a stronger connection to nature and the outdoors, leading to better understanding of the world around us, the environment, and why it is important to preserve our natural resources.

The project has a federal nexus because the funding provided is for purposes authorized by Consolidated Farm and Rural Development Act, specifically at 7 U.S.C. 1926(a)(19).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Steny Hoyer", with a stylized, flowing script.
