Chairwoman

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

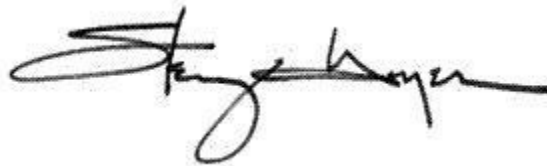

I am requesting funding for the MD 214 construction project in fiscal year 2024. The entity to receive funding for this project is Anne Arundel County Government, MD, located at 44 Calvert St. Annapolis, MD 21401.

The funding would be used to construct improvements consisting of adding bicycle infrastructure, shared use path, capacity improvements and increasing vehicular capacity along MD 214 from MD 468 to east of Loch Haven Road, including intersection improvements at Loch Haven Road. This project is an appropriate use of taxpayer funds because it will improve traffic level of service along the MD 214 corridor, and add shoulders for emergency vehicle and bicycle access.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
